Tuesday, May 13 at 2:00 PM, the El Dorado County Board of Supervisors have scheduled a meeting to reconcile wording on the new dispensary ordinance 4999. The Board's intent was to "grandfather" existing businesses and prohibit new ones, but the planning department is still determined to shut down all dispensing in the unincorporated areas of El Dorado County. More than ten years of paying sales tax to this county and this is the representation we get for it?

Please come by, see our county government doing its job on your dime.
